### California Department of Education School Accountability Report Card Reported Using Data from the 2015-16 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2016-17)

The mission of iLEAD is to empower students to become conscientious, compassionate, and responsible citizens of the world. In the process, we inspire them to become creative thinkers and leaders, with a lifelong love of learning. We accomplish this through individualized instruction, active learning methods, and opportunities for self-directed learning. We celebrate and foster each child's individuality, and support them in discovering their highest potential. We believe each child will be equipped with the skills and knowledge to achieve his or her fullest potential in preparation for college and the demands of the 21st century workplace.

iLEAD provides a rigorous, relevant and attainable education program based on California's Common Core Standards in English Language Arts and Literacy in History/Social Studies, Science and Technical Subjects, California's Common Core Standards in Mathematics and the California Content Standards in History/Social Science and Science.

iLEAD Hybrid includes several learning studios:

- iLEAD AV is located in West Lancaster, currently serving grades K-5.
- iLEAD Encino has two studio locations. The primary learning studio serves learners in grades TK-3, and the intermediate learning center serves learners in grades 4-8.
- iLEAD Exploration is a home study program that serves learners in grades TK-12.
- iLEAD North Hollywood serves learners in grades 9-12.
- iLEAD Pacoima serves learners in grades TK-8.
- iLEAD Innovation Studios is a personalized learning program offered to learners in grades 7-12.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

#### Teacher Credentials

Teachers	School		District	
	2014-15	2015-16	2016-17	2016-17
With Full Credential		73	87	
Without Full Credential		17	18	
Teachers Teaching Outside Subject Area of Competence (with full credential)		1	0	

#### Core Academic Classes Taught by Highly Qualified Teachers (School Year 2015-16)

Location of Classes	Percent of Classes In Core Academic Subjects Taught by Highly Qualified Teachers	Percent of Classes In Core Academic Subjects Not Taught by Highly Qualified Teachers
This School	79.0%	21.0%
All Schools in District	94.0%	6.0%
High-Poverty Schools in District	99.0%	1.0%
Low-Poverty Schools in District	91.0%	9.0%

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

## School Facility Conditions and Planned Improvements

Learners and parents feel safe at the iLEAD studios. Measures are taken to prepare learners and staff for emergencies. Learners are aware of the iLEAD community expectations. Learners, staff, and parents are encouraged to maintain positive appearance of our facilities. Staff ensures that the repairs necessary to keep the sites in good repair and working order are completed in a timely manner.

Numerous improvements such as painting, upgrading doors in accordance with fire code, upgrading locks, general safety improvements, and purchase of new furniture have been made.

## School Facility Good Repair Status

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16

Mathematics (grades 3-8 and 11)	--	27.0%	--	29.0%	--	36.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

#### Opportunities for Parental Involvement (School Year 2016-17)

Parents are strongly encouraged to contribute time and talent each academic year. Completion of volunteer hours, however, is not a prerequisite of enrollment at iLEAD Hybrid. Each Studio Director maintains a comprehensive list of volunteer opportunities including but not limited to the following: volunteering in the learning spaces/studio (including at-home assistance), tutoring, attending parent-teacher conferences, attendance at meetings of the Board of Directors (as member or observer), or any applicable Parent group functions, participation in the planning of, or attendance at, fundraising or Academic/Arts Events, or other activities. At iLEAD, parents play many important roles in the day-to-day operations of the studio, as well as the strategic planning and overall vision of the studio community. Parents play a vital role as mentioned in the education program of the charter. Before families enroll, they must fully understand the components of the program model. All parents must be fully aware of the type of program they are about to enroll their child in and how it works. This also gives parents an opportunity to have any questions answered and talk to other parents that already have students in the program. iLEAD makes accommodations to meet the unique schedules of parents to ensure every opportunity for parents to attend an orientation meeting. Parents are strongly encouraged to attend orientations and regular parent meetings designed to keep them informed of what is happening at iLEAD.

## School Safety Plan (School Year 2016-17)

iLEAD's mission is to provide all learners with the opportunity to engage in an enriched educational experience. A comprehensive Safety Plan helps to ensure a safe school environment, thereby enhancing the learning experience and improving student academic achievement. This plan is implemented to protect the safety of learners and staff and to provide emergency preparedness and guidelines. This plan addresses the following objectives:

- Protect the safety and welfare of learners and staff.
- Provide for a safe and coordinated response to emergency situations.
- Protect the studio's facilities and property.
- In the case of an emergency, allow the studio to restore normal conditions with minimal confusion in the shortest time possible.
- Provide for coordination between the studio and local emergency services when necessary.

This Safety Plan includes General Policies and Procedures for Handling Safety and Specific Emergency Situations, Child Abuse Reporting, Sexual Harassment, and Discipline.

Each studio has an Operations Leadership Team who meet on a regular basis to focus on ensuring the School Safety Plan meets the needs of the studio.

## Professional Development

---

iLEAD provides extensive professional development for its staff before the academic year begins and throughout the year. Ten days before the start of school each year are dedicated to professional development. In addition, every week the staff meets for TED Talks. TED Talks are part of the professional development that focuses on the "Big Ideas" or the "Why" of what we do at iLEAD. We believe this is a unique and critical part of keeping and advancing the vision of iLEAD so that we continue to be on the cutting edge of education. Staff is also provided and encouraged to take time to visit other schools and programs to advance their skills and understandings. Every Friday afternoon, staff participates in professional development in a variety of areas including Project Based Learning, Data and Assessment, Social Emotional Skills and Leadership Teams.
